Students make melody in choir and Crimsonaries under the leadership of Mr. Swartley

If you like talking maybe you should try singing. It's a different way of expressing yourself. You might find yourself the star in the Operetta performance or a member of the Crimsonaire group or a recipient of a high rating at state contest. But just being a part of the Crimson Choir is a satisfying, rewarding experience as you face an appreciative audience after a well-done program.

Goshen's swing choir, the CRIMSONAIRES, have become a familiar "sound" here at GHS. Their popularity has given them many opportunities to perform in the local area. Mr. Swartley, the director of the group, has spent many hours working with them at noon and after school. Consisting mainly of seniors, the CRIMSONAIRES shifted towards the more "popular" swing choir style.

PICTURED ABOVE: Mr. Swartley, Steve Bowers, Kelsey Bail, Todd Cripe (junior), Paul Boughner, Bill Binkley; (Drummer) Scott White, Dave Swartzendruber, Steve Myers, Mike Yoder, Kathy Gardner, Randi Yoder, Alice Kauffman, June Gingerich; (Pianist) Jan Culp, Kitty Nesius, Elaine Weaver, Jeanne Kummeth and Gerry Sheneman.

Here, they are shown singing at the Eighth-Street Church.

In Memory of a G.H.S. Graduate

Steven Craig Eddy

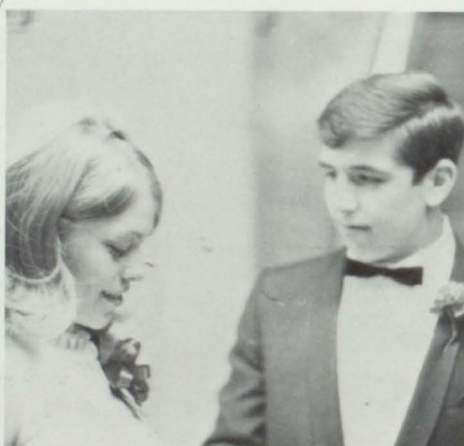

(July, 1950 — August, 1968)

Steve was the son of Mr. and Mrs. Fred Eddy of Goshen. His friendly disposition was a major reason why Steve had so many friends. Classmates will cherish the memories of his jovial, soft laughter and reserved answers. Steve was a credit to the beginning of the popular work-school program under Mr. Howard.

1968

Junior-Senior Prom

Take a Magical Mystery Tour. A few steps through a trellis and you enter a world of enchantment, the world of the 1968 Junior-Senior Prom. Trees are bedecked with flowers . . . a castle surrounded by a moat made of shimmering blue cellophane. A wishing well invites your wish to come true. You hear the music of The Boston Creme Pies and later in the evening the Bare Foot Sole. Kitty Nesius and Sue Hepler provide singing entertainment at the intermission. The waiters dressed as storybook characters are none other than the Sophomores. Upstairs is a Swiss Chalet where couples can relax with friends between dances. At midnight Randi Yoder and Dave Swartley crown Pam Schrock and Dave Juday king and queen of the prom. The Jaycee's provide a delicious breakfast at 3:00. Has the time gone so quickly (really); but all good things must come to an end. You go home now or to some party. Then you will wake up remembering all the wonderful moments of the night before and head for the dunes for more fun. Your Junior-Senior Prom will linger in your mind for many years to come, and you'll always remember that special someone who highlighted your evening by his presence!

Miller, Rick Clark, and Steve Payne. *Right*—Cami is shown here with the members of her court and honorary referee Don Yoder. Court members are: *First Row*: Senior attendant Nancy Garber, Queen Cami, Senior attendant Janet Rogers. *Second Row*: Junior attendant Sue Elder, Mr. Yoder, and Sophomore attendant Tricia Erst. *Bottom Right*—Don Yoder presents Queen Cami Pyykko with roses and a kiss as Janet Rogers looks on. *Bottom Left*—Cami put in a hard day's work as she presented trophies to the winners of the sports events.

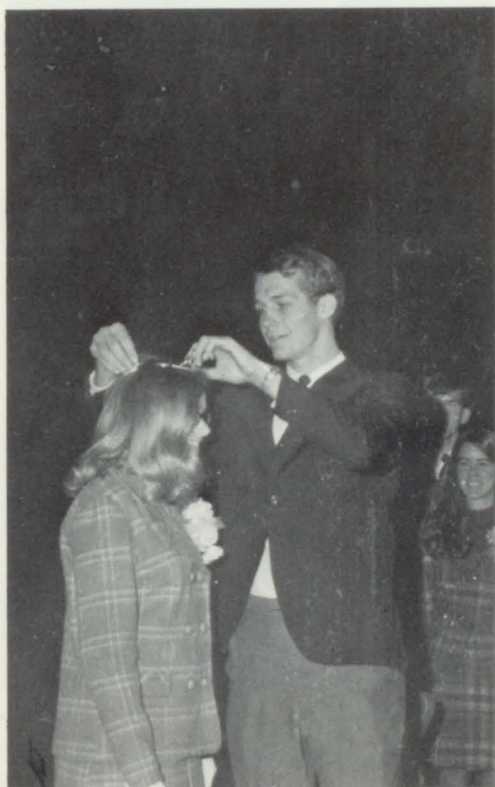

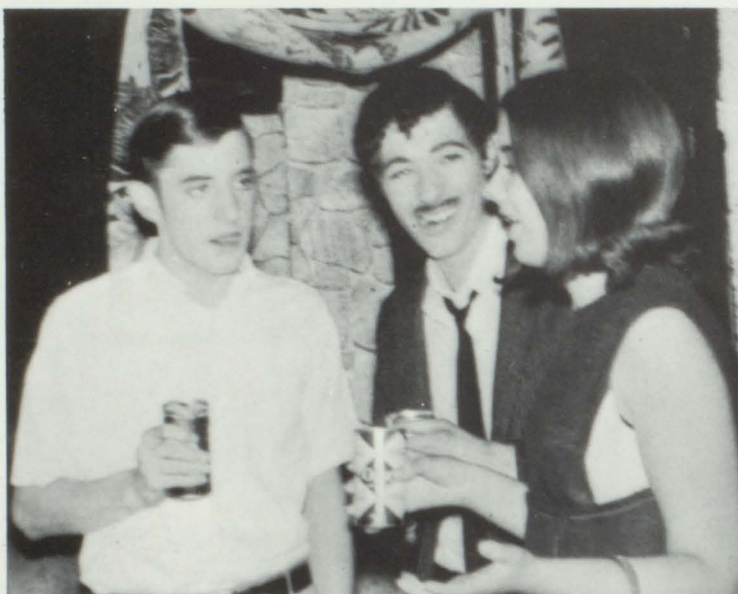

A delighted Charlene Stouder was crowned Homecoming queen of 1968 at half-time of the Goshen-LaPorte game on October 25. LaPorte scored the victory on that cold autumn night.

Redskin fans were disappointed by Goshen's loss, but the dance following was a big success. Charlene and her court reigned over the dance as the "Counts" provided the music.

John Westfall, Mike Yoder, Judy Garber, Frances Traxler, Dwight Miller, Miss Stouder, Alice Kauffman, Janet Hoke, Kelsey Bail, and Roy Bergman are shown above.

Class of '70 Presents "Twelve Angry Jurors"

TOP—Sherwood Waggy, Bonnie Johns, Judy Snyder, Brent Zook and Sam Judd sit in the jury room discussing the trial. MIDDLE RIGHT—Cindy Wolford starts to apply makeup as the photographer snaps her picture. MIDDLE LEFT—Ed Miller, Sherwood Waggy and Cindy Wolford relax as they discuss the play. BOTTOM—After the play the cast enjoys refreshments.

Guilty or not guilty. Twelve angry jurors adjourn to the jury room to decide the fate of a nineteen year old boy. Did he really murder his father?

The trial has been in session for six days; the room they are locked into is hot and stuffy; all of them are irritable and anxious to leave. The jurors must reach a unanimous decision. The first vote is taken and eleven vote guilty; one votes not guilty. One juror is insistent that they discuss it in more detail before the boy is convicted. As they re-enact the crime and go over the details more closely, more jurors change their views.

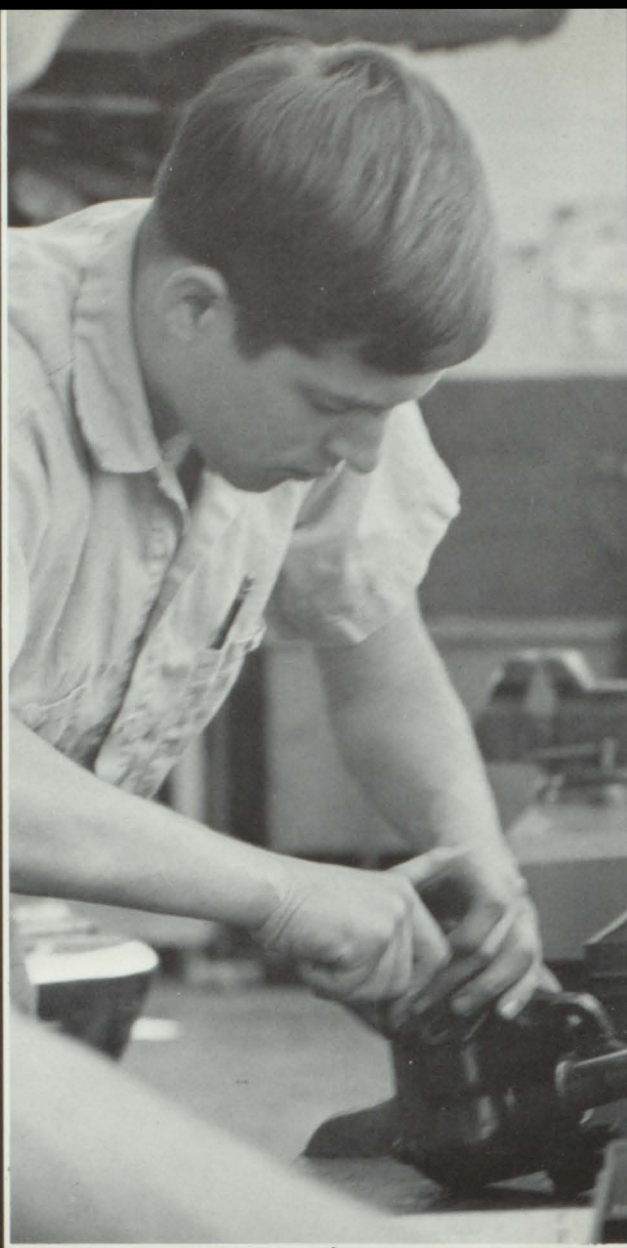

A revote is taken and another one has decided that the boy might not be guilty. The jurors go over the case again and again and gradually all but one of them is convinced of a reasonable doubt. The decision is up to that person. If his vote is not guilty the boy will go free. If his vote is guilty the case will be tried again. The curtain comes down as he casts his vote.

PROVERBS 4:7

Academics

LEFT: Nancy Stutsman and Mark Eggeson carefully mix chemicals during a chemistry experiment. BELOW: Mr. Bowers shows his teaching skill by explaining a difficult chemistry problem. BOTTOM: Two budding scientists show their interest in the course while doing an experiment.

SCIENCE:

Maybe another Einstein

What will you study when you graduate from high school? Medicine? Engineering? Computers? Cosmetology? Most everything you do, will need some or much of science. You can start your training now. G.H.S. offers you science courses in the form of biology, applied science, chemistry and physics. Why not look into the possibility of taking one or more of these courses. The opportunity is yours—use it!

TOP: L. Prough, E. Hershberger, M. Hemminger, L. Stine, and M. O'Neale admire a few of Mr. Allyn's pets in their biology class. BOTTOM: J. Clemmens is assisting Mr. Allyn with one of his many interesting biology models.

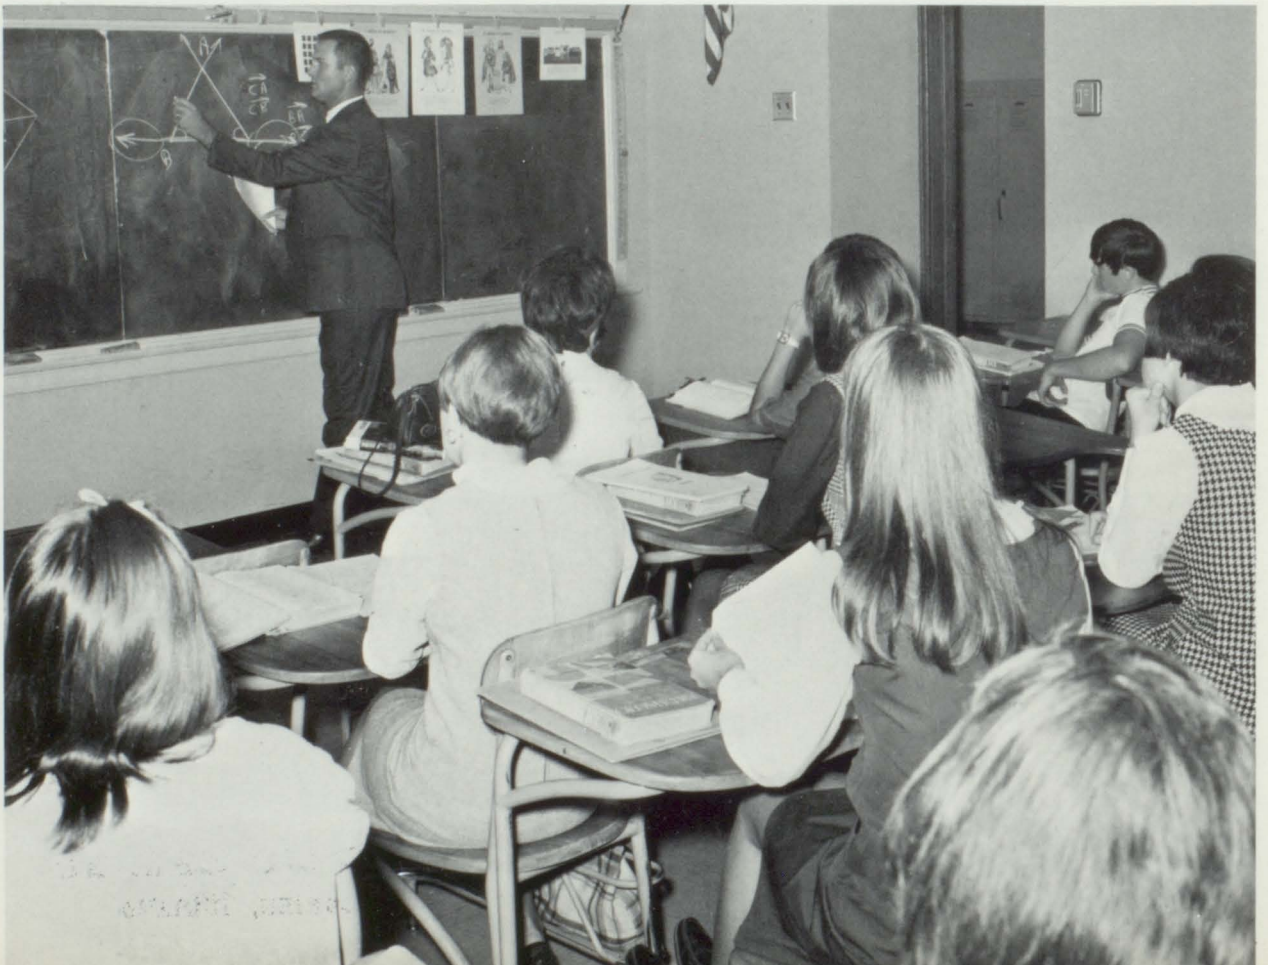

MATHEMATICS:

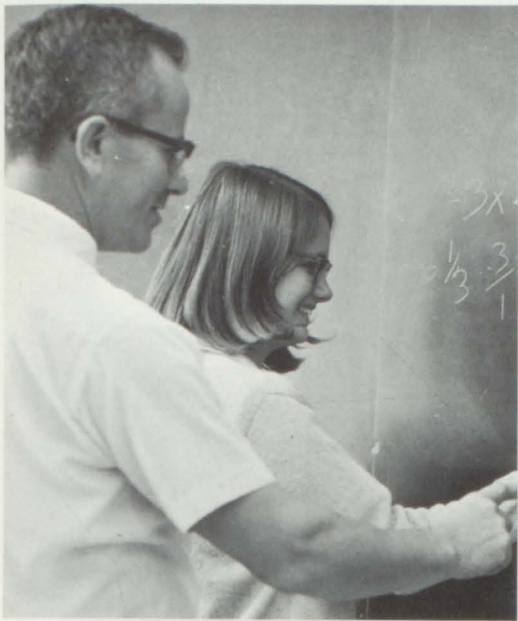

Students get a mental workout

They say mathematics is "The Queen of Science." Perhaps you've never thought of it in quite that way before. But, whether you enjoy math or not it is an essential part of everyone's life. Math courses have now been integrated so that students study a wider range of topics. In this way if you enroll in algebra, you learn probability, theory, and analytic geometry. Everywhere you turn there is some kind of math. Don't you think you should know more about it?

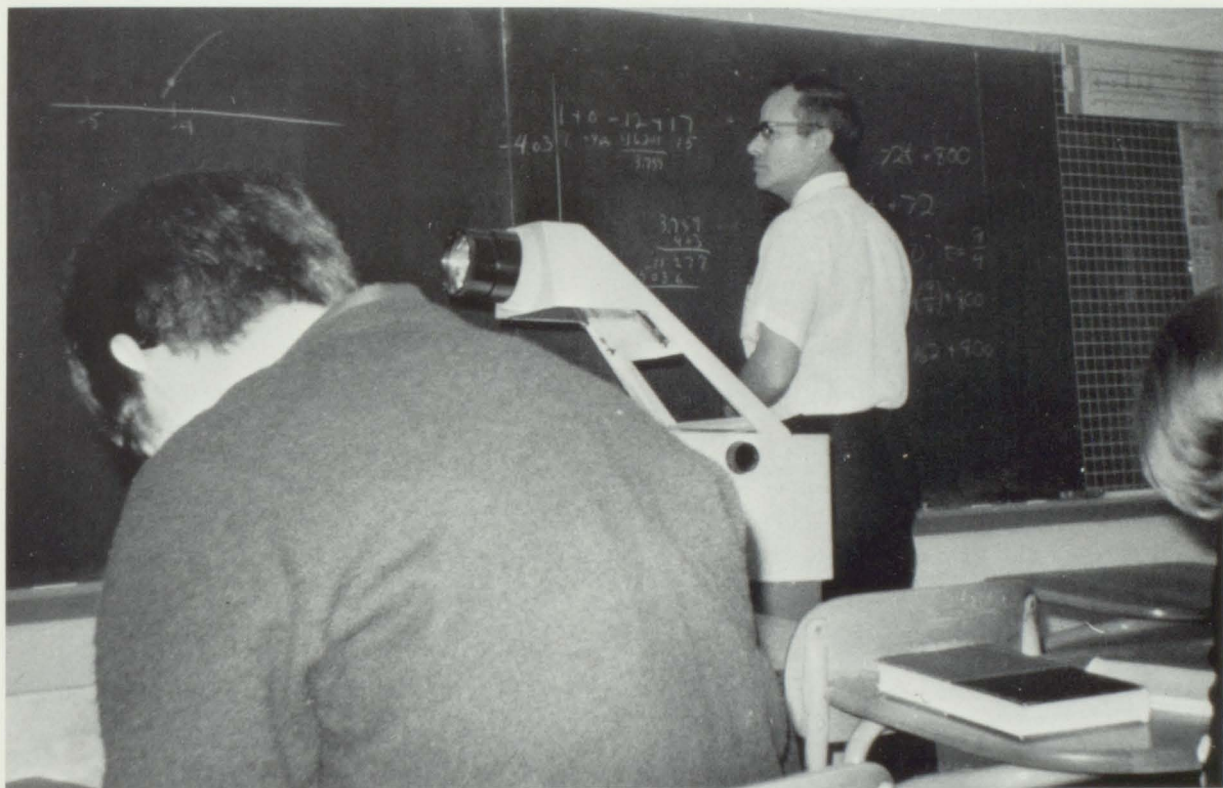

LEFT: Libby Webster works a problem.

Mr. Lambricht is instructing his class in the finer points of Geometry.

Everybody enjoys Mr. Blosser's math classes. ABOVE: Patty Ellinger smiles at her instructor's help. RIGHT: Mr. Blosser is checking Becky Miller's work and BELOW: George Rodibaugh and Ruth Perrin "appear" to be studying.

BUSINESS:

Those who rule the world

If you enroll in a business course you could find yourself at court one day, touring Penn Controls, or observing data processing in a bank. You might find yourself lost in dictation at 100 words a minute, typing 60 words a minute, or searching for a 28 cent error in bookkeeping class. The business department at GHS offers a wide selection of courses to prepare students for the business world. DECA and OEA can even provide an opportunity for students to attend morning classes and work in the afternoons.

Rita Rassi works to increase her typing speed.

Scott Blodgett watches Miss Grogg explain a problem in his second-period bookkeeping class.

ABOVE LEFT: Mr. Mihail is always willing to assist students with their assignments in his second-period retailing class. ABOVE RIGHT: Learning to type poses no problem for Jayne Feeney in Mrs. Seymore's typing class. BOTTOM LEFT: Judy Taylor gives Miss Grogg her full attention, while learning the essentials of bookkeeping.

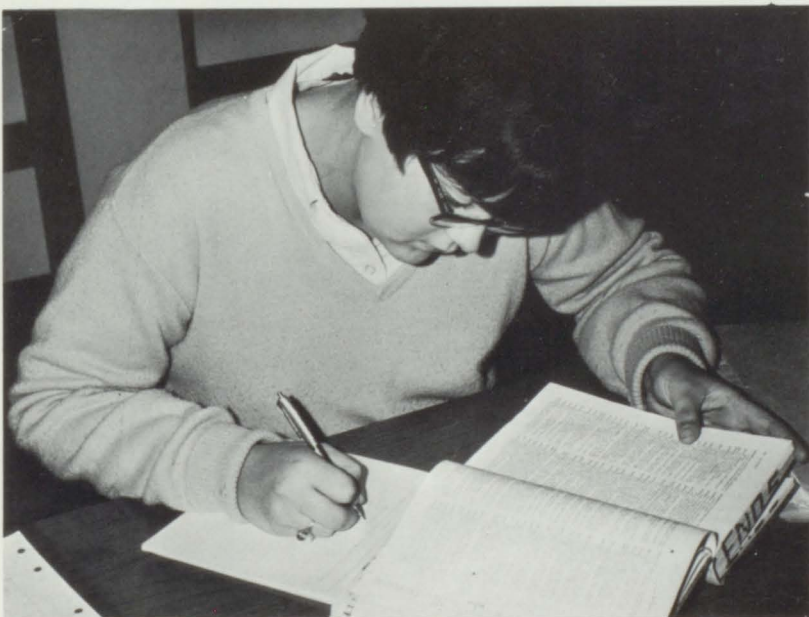

ABOVE LEFT: Mr. Sovine seems to have an attentive audience as he lectures to his history class. ABOVE RIGHT: Mr. Clason is caught in a thoughtful mood as he ponders over world affairs. BOTTOM LEFT: Mr. Underwood peers over the shoulder of one of his civics students doing his homework. BOTTOM RIGHT: Gilbert Mills thinks about the last words of Mr. Murphy's lecture.

SOCIAL STUDIES:

The world we live in

How about a session at Murphy's Movies hosted by Mr. Murphy himself? . . . Well, how about a trip to the Ft. Wayne state hospital for psychology class. Or you could have one of Mr. Harley's vocabulary tests! Everyone has to take some of the social studies courses, including Mr. Underwood's civics class. But as you can see there are special activities planned for the classes as well as notebooks and tests and classroom discussions.

FOREIGN LANGUAGES:

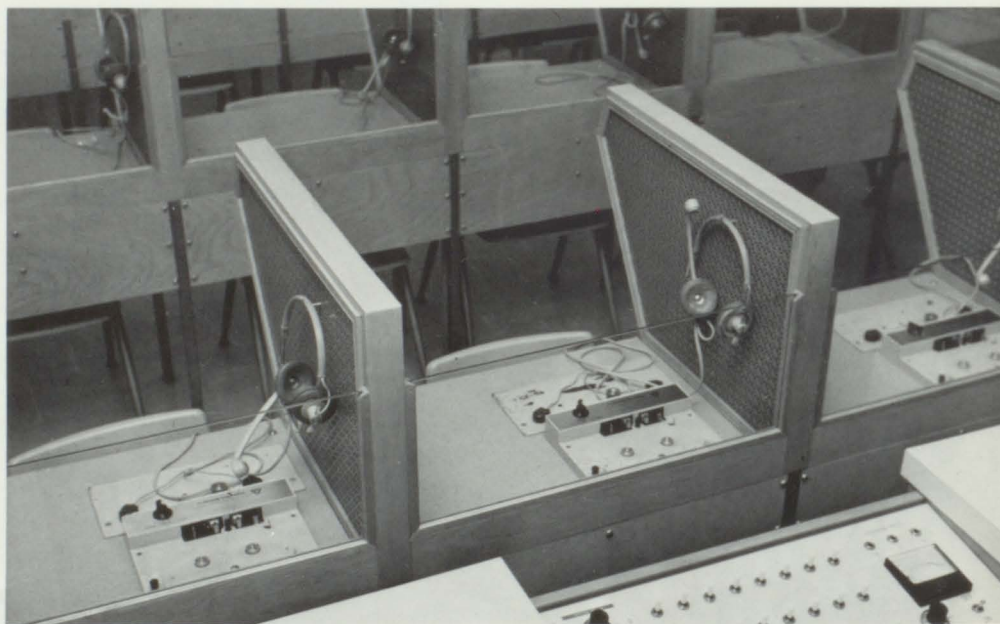

French, Spanish,
or Latin . . . which
would you choose??

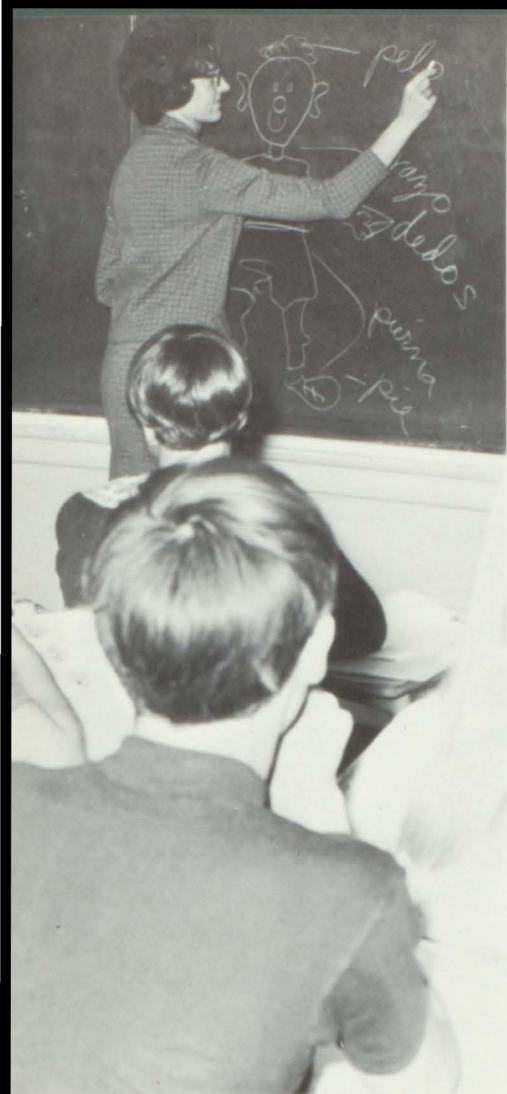

How about a trip to Paris . . . or Mexico??? You can make that trip simply by entering the GHS French or Spanish rooms. Maybe it won't be quite as thrilling, but you can learn the customs and language of the country you choose to study. New things this year include textbooks presenting the course in a more practical usage, and the language lab being revamped. The French class read Jean Anouilh's *Antigone* and then went to see it performed at St. Mary's College.

Mr. Fancil says that the unique thing about language courses is their very "foreign" nature . . . and that's the truth!

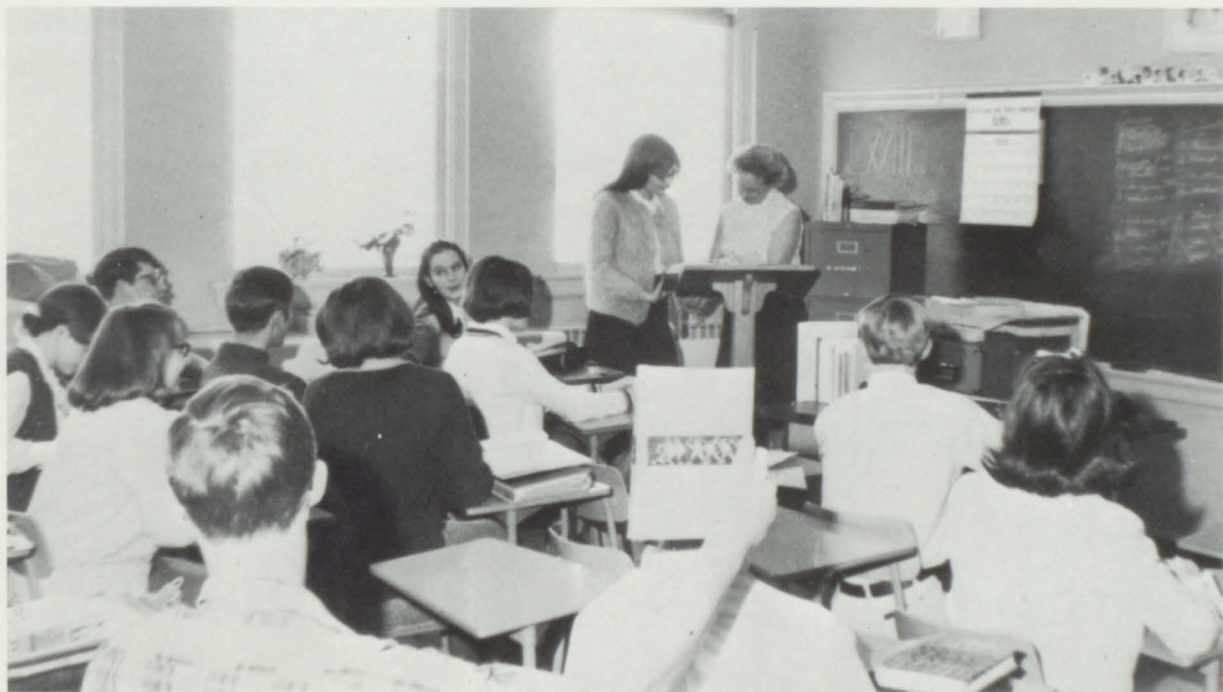

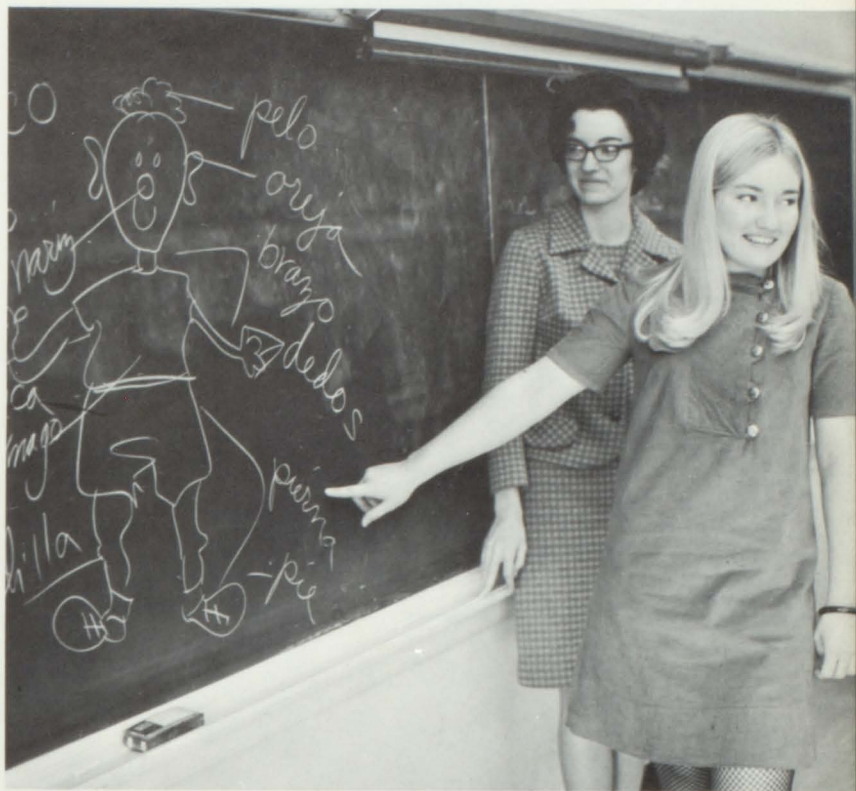

A familiar face to many French students, Mr. Fancil is an expert on France and French customs.

LEFT: Miss Hein draws "Pepito" on the board to help students learn the parts of the body in Spanish. BELOW: Jan Gregier locates Pepito's pierna while Miss Hein looks on. BOTTOM: Mrs. Minier's Latin class disproves the well-known theory that Latin is dead.

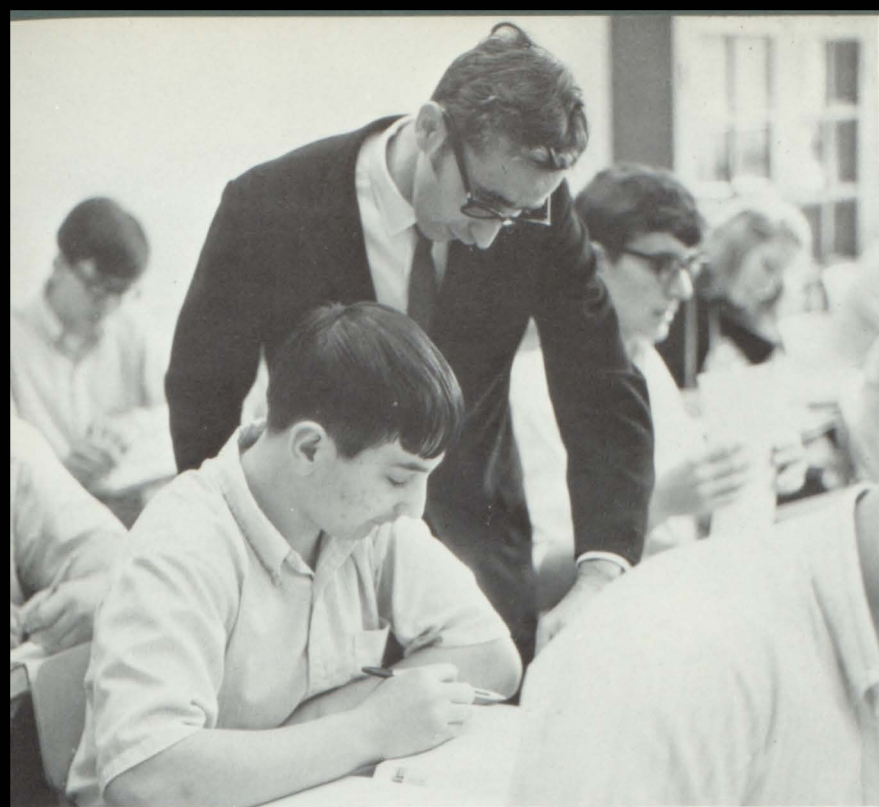

ENGLISH:

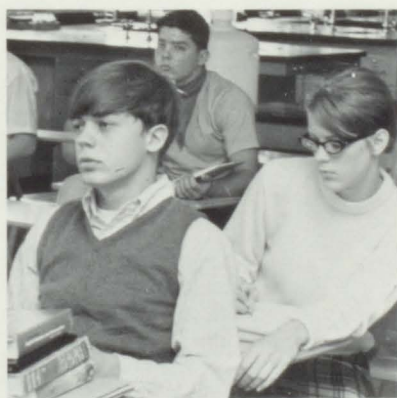

Students develop skills for communication

"Fair is foul and foul is fair" and so is English, I guess, since GHS students are all required to major in it. You may find yourself memorizing quotes from *Macbeth*, trying your hand at poetry, or delving into the novel *Those Who Love*. You also learn proper grammar, hopefully. English students are being prepared to meet the outside world to communicate efficiently with society.

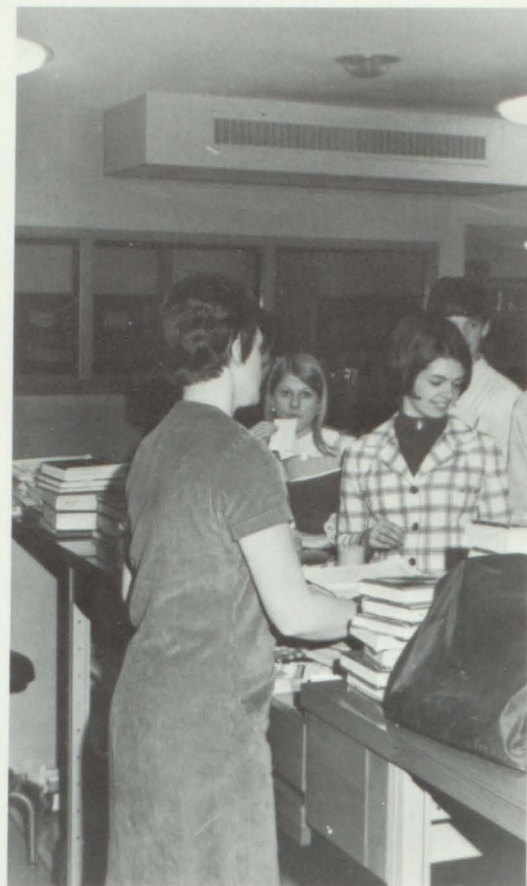

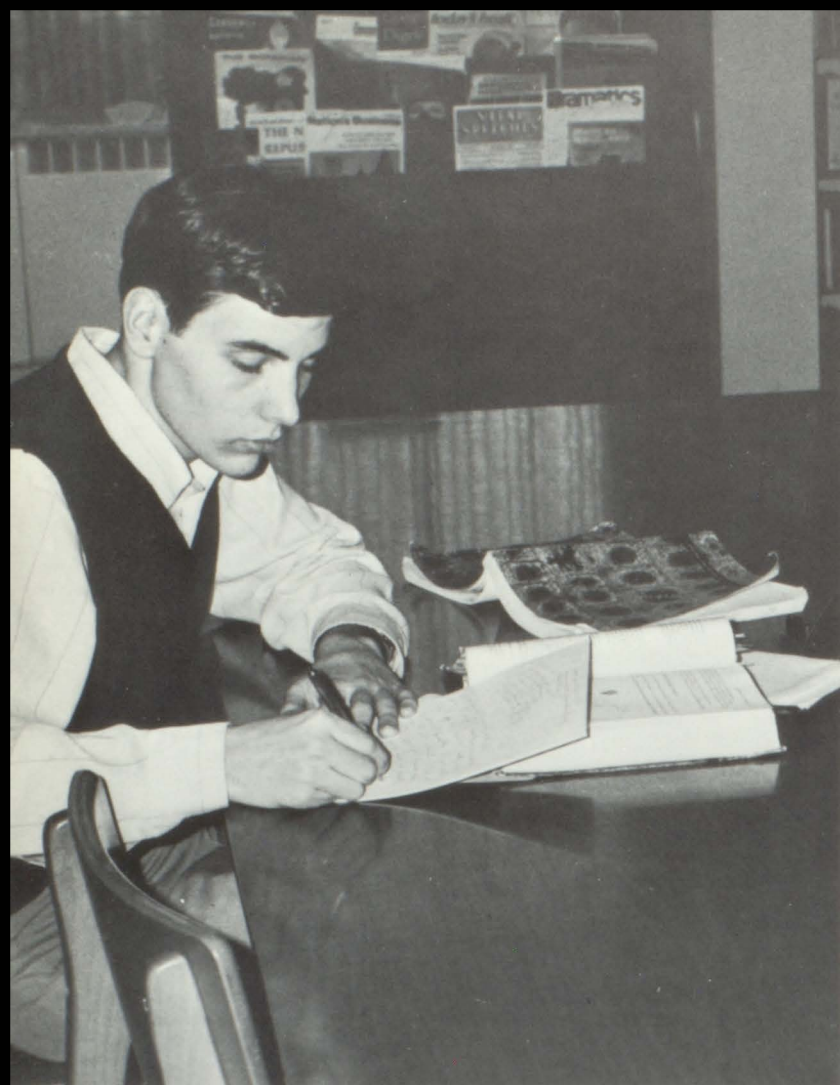

LEFT: Mr. Sizelove is eager to help his students learn all they can. BELOW: Mr. Sizelove is shown in one of his more passive moods ...

ABOVE: Lori Hoogenboom know that studying is important in making good grades. LEFT: Daydreaming is a favorite pastime of many students.

LIBRARY: For studying?

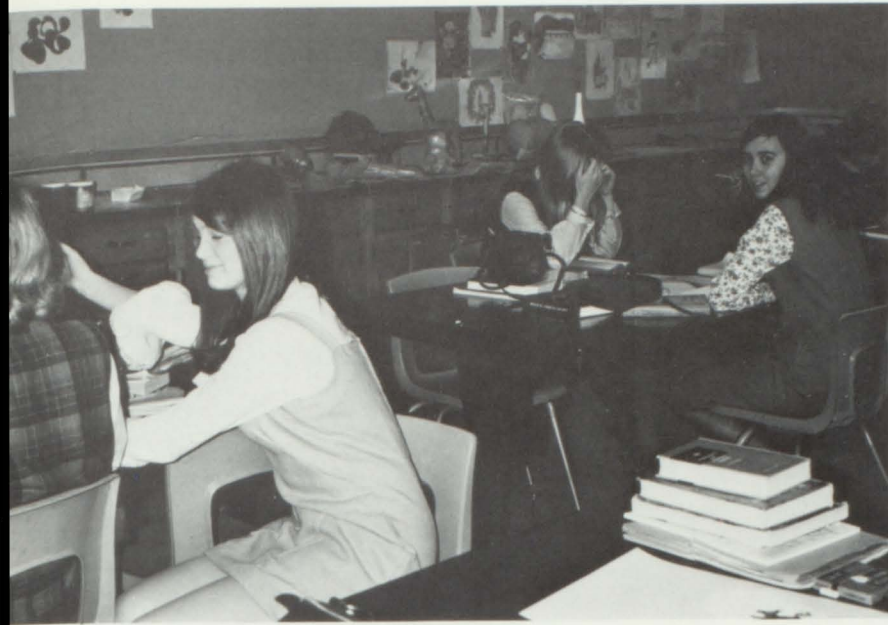

Where do you prefer to study? ... the library or study hall??? Or don't you study at all??? Well, if you want peace and quiet by all means go to the library. Our new librarian, Mrs. Burns, is a professional in keeping order so that jokers like Ken Moreland (in the upper corner) and Marina Angelo (in the lower corner) will really buckle down and study. Thanks to her, some of our students have had to find out the hard way about the wonderful "Sounds of Silence."

ART:

Student expression

Feel creative? The art department might have a suggestion for you. Use your hands! Paint a picture, model a piece of clay, draw a sketch. If you feel like expressing yourself why not take a course in art? Originality and creativity are stressed at all times. The course includes landscape, animal, still-life and perspective drawing, painting, sculpturing and many other crafts that are timely, interesting and useful. So why not try your hand at it? You might be surprised at the satisfaction you can derive from your constructiveness.

TOP: Art students help make our school a little brighter with their creative efforts. MIDDLE LEFT: Dick Miller and Terry McDermott are stopped by a strange paper mache creature working in the art room. MIDDLE RIGHT: Art students take time out to plan their next project. BOTTOM: An enthusiastic student creates another masterpiece as Mrs. Metz looks on.

ABOVE: *Gerry Shenehan won a superior rating on her solo at State Contest. ABOVE RIGHT: Zing!! Go the strings of violins played by Julie McCammon and David Miller. RIGHT: The first row of clarinets are proof that practice makes perfect.*

MUSIC:

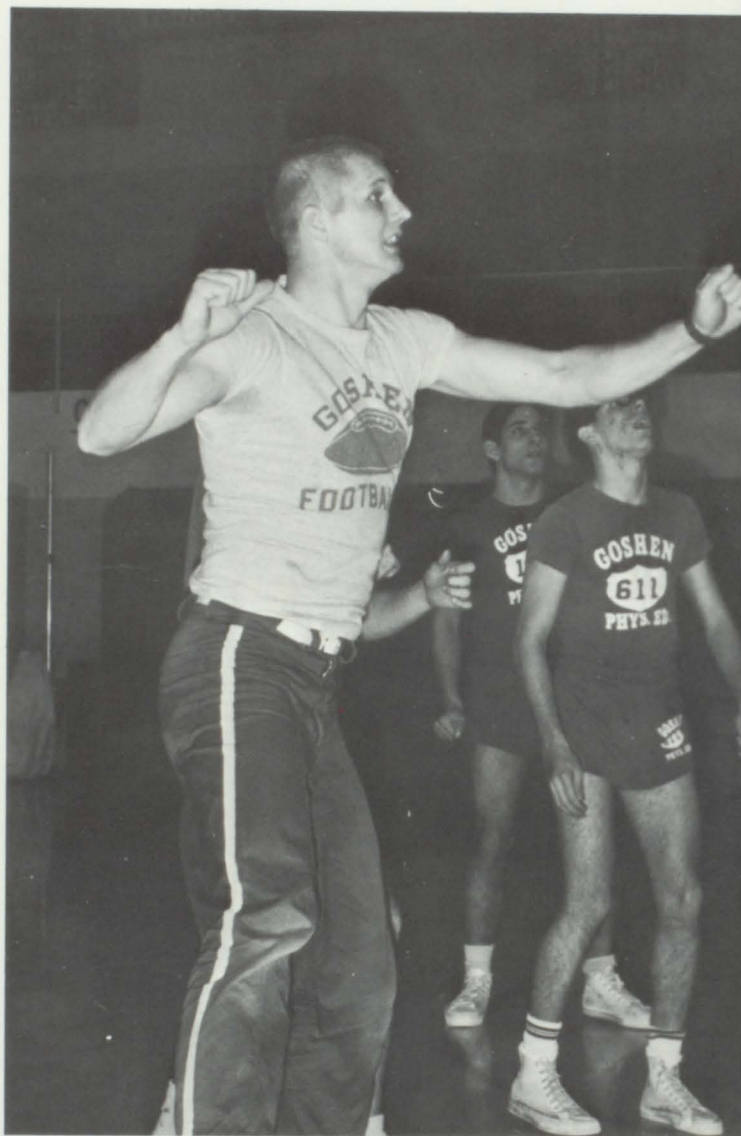

Making melody

Someday you may be a movie star, but for now how about an appearance with the GHS Crimson Choir? Or maybe you plan to be a famous musician ... have you considered band or orchestra??? And if you're the athletic type, you should try to look into the marching band.

Music education in American schools today is entering a period of Renaissance. Now, courses in music are "studying" music as well as using it for entertainment and performances. Music courses are now full-credit courses, and they have much to offer musically inclined students here at GHS.

UPPER RIGHT: One of the band's outstanding tuba players, George Barhydt, has **PUCKER POWER**. MIDDLE: Concentration is shown on the face of Carol Weaver during orchestra rehearsal. LOWER RIGHT: The saxophones play an important part in stage band which features "jazz" music. BELOW: Mr. Swartley expresses his interpretation of the music.

PHYSICAL EDUCATION:

Take a plunge into the G.H.S. swimming pool! Or perhaps you prefer working out on the trampoline or tumbling. Basketball involving intramural games and other team sports are also a part of the Phys. Ed. program. Goshen has a wide variety of facilities available to our students. All students are required to have one year of Phys. Ed. and now advanced Phys. Ed. is available to junior and senior boys. Since advanced Phys. Ed. is not available to girls, girls who are interested in athletics are encouraged to join G.A.A.

TOP: Zoe Yoder and Darlene Stouder work on their gymnastic routines for contests. MIDDLE LEFT: Miss Eggerding, girls Phys. Ed. instructor, who is also a spirited G.H.S. basketball booster is shown watching an exciting game. MIDDLE RIGHT: Vickie Long is a little "high" as she works out on the trampoline. LEFT: Sylvia Siri is a beautiful display of grace and coordination while she practices her routine on the balancing beam.

LEFT: Janice Rockenbaugh and Margaret Perrin enjoy making one of the many delicious dishes prepared in their cooking class. BELOW: Miss Blair shows her sewing class how to straighten the grain of the fabric before laying out a pattern.

HOME EC:

Makes the homemakers of tomorrow

If you're a girl, it's important to know how to cook, sew, and plan a home. Home Ec. will provide an opportunity to learn these things in a classroom. New short cuts are being taught to make home making faster and more efficient. This year the course has revised its curriculum, acquired some new equipment, and provided teas for mothers and jr. high students.

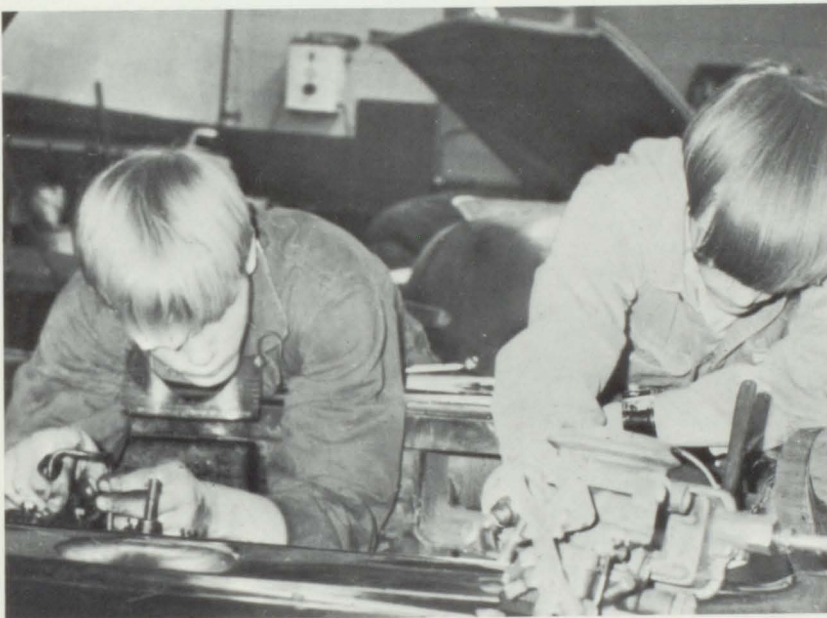

INDUSTRIAL ARTS: More than dirty clothes.

Mechanical drawing, woodworking, metal work, electricity-electronics, and automobiles are the areas of shop work offered at GHS. The industrial arts students spend much time developing manipulative and mechanical skills. During the past year the shop department has added many visual aids. Some of these aids were constructed in classes. Vocational auto mechanics and machine shop are training the students more specifically to enter that trade. These two courses are taught by teachers who are not only licensed to teach shop courses but are also tradesmen in their respective fields.

TOP LEFT: Tim Riley and Steve Alwine are checking under the hood. LEFT: Machines are part of the everyday class of Dan Greenwalt and Richard Chupp. ABOVE: "Concentration" on the part of Dave Ogle and Dick Weaver.

Membership in the Goshen Chapter of the National Honor Society is based on four criteria—scholarship, leadership, character, and service. Members are initiated during an impressive ceremony before the student body.

The purpose of the club is to emphasize the importance of scholarship service to school and others, leadership and character. In keeping with this purpose the members participate in a tutoring program to help students who are having academic difficulty. The club also sponsors a student loan program. Officers are: Corwin Nichols, President; Becky Miller, Secretary, and Randi Yoder, Treasurer.

Euclidean

Members diligently work on one of their many club activities.

At its monthly meetings Euclidean Club members enjoy informal exposure to mathematical topics not included in the regular school mathematics courses of study. Programs are usually prepared and presented by members of the group.

Membership is open to students of GHS who are enrolled in or have completed Geometry.

Printing of football programs for home games provides money for club activities, highlighted traditionally by an all-day trip with the Science Club in the spring.

The main money-making project is the distribution of programs at the home basketball games. Each spring the club combines with the Euclidean's

Club and takes a trip to some prominent place of interest. Officers for the 1968-1969 school are: Steve Bowers, President; Steve Massanari, Vice-President; Steve Tom, Secretary; Corwin Nichols, Treasurer; Sherwood Waggy, Public Relations. The club is sponsored by Mr. Elmer Bowers.

Steve Tom, Valentine Hulewicz, and Paul Levans are rehearsing for the play, "Arsenic and Old Lace."

Mr. Tom Bilger is shown in the director's chair for their production, "Arsenic and Old Lace."

Speech Club is a member of the National Forensic League and the Thespian Society. Through these organizations outstanding members can receive special awards and commendations. Officers are Mary Ellen Rippey, president; Kathy Thomas, vice-president; Gloria Yoder, secretary; Ruth Perrin, treasurer; Steve Tom and Paul Levans, file clerks.

French Club Officers: Robert Charles, Sandra Hess, and Steve Massanari.

French Club

Le Cercle Francais is made up of those students studying French who want additional out-of-class experience with the language and with all aspects of French life. This year's programs have included illustrated talks by Tom Murto and Robert Charles who spent last summer in France, the club initiation, a Noel celebration with a special buche de Noel, the Mardi Gras dinner of steak and fries accompanied by the film *Gigi*, and a presentation by three former students who spent one of their trimesters at Goshen College at the French Caribbean island of Guadeloupe. The club, as in the past, raised money by selling concessions at all three sessions of the county tournament. Le Cercle Francais annually makes a contribution to an international organization such as Care, Unicef, or Foster Parents which in a sense is an extension of the club's primary goals. The club extends an invitation to all French students and to those who have studied French a minimum of one year un accueil chalereux.

Latin Club

Mrs. Florence Minier is the popular sponsor of the Latin Club.

The seventy students comprising the Goshen High School Latin Club study the ancient Greek and Roman civilizations.

In December the seniors arrange for the annual Christmas party and initiation. In March the juniors make plans for the Roman Banquet. This is a dinner, given each year, to allow the members to dress, eat, and act as Romans. The money for these activities is earned by the members through the candy sales, which have been the chief source of income for ten years, along with concessions.

The officers this year include Jeanne Kummeth, president, senior; Bill Moreland, vice-president, senior; Nancy Stutzman, secretary, junior; June Gingerich, treasurer, senior; and Mary Ellen Rippey, public relations, senior. The sponsor of the club is Mrs. Florence Minier.

Sunshine Society

With love in their hearts, forgetting themselves, and with charity for all, the object of Goshen members of Sunshine Society is helpfulness and kindness to others. The statewide club for high school girls encourages them to give intelligent and cheerful service to their community.

Projects and activities include: teacher favors, selling used books, adopting an orphan, giving clothing to a needy family in Kentucky, Daddy Date Nights, selling carnations on Valentines Day, selling mums at Homecoming, Ideal Lady Tea, and Senior girls' Breakfast.

Future Homemakers of America is a national organization whose purpose is learning to live better today in order that our lives and those of our families may be better tomorrow. The club tries to help the community, school, and the girls themselves in understanding the skills of home economics and putting these skills to work for them.

F.H.A. performs many services such as checking coats at the home basketball games, sending cards to our men in Viet Nam, and making puppets for the pediatrics ward of Goshen General Hospital.

The girls are rewarded for their endeavors by taking an educational and recreational trip at the end of the school year.

Future activities and the future itself provide a project for the girls to face "with warm courage and high hope."

MEDICORPS

"A Medicorps Volunteer is DEPENDABLE"

Medicorps welcomes into its membership any student who has an interest in learning more about the many careers in the medical field. Now in its seventeenth year, it is the oldest high school Health Careers club in Indiana. Among its sixty-seven members are many who serve on duty of Goshen General Hospital, Nursing Homes, and Goshen High School Health Center. Some participate

in city-wide projects such as the Heart Fund Drive. Each year Medicorps sponsors "Singing Valentines" in which all proceeds are sent to the Indiana Heart Fund.

Programs, held once each month are planned to be informative, either by a film or speaker, on one of the major health careers. There are presently 157 different types of careers listed in the handbook. Medicorps members enjoy several field trips a year such as an Open House in various schools of nursing, hospital orientation, or visits to Oak Lawn Psychiatric Center, Rehabilitation Center, or Aux Chandelles. Points are earned by participation in service projects and members who have earned 350 points are awarded the school letter with the Medical Insignia, at the May awards picnic.

Future Teachers of America gives Juniors and Seniors information on the opportunities and requirements of the teaching profession. As expressed in the pledge of F.T.A., the good teacher requires physical vitality, mental vigor, moral discrimination, wholesome personality, helpfulness, knowledge, and leadership. Cadet-teaching is a program sponsored by the club which allows any Senior in F.T.A. to observe classroom activities and situations in a realistic setting. Such an opportunity enables the members to decide if this is the profession for them. Miss Grogg is the club's sponsor.

The camp was a great success as the band missed the Marching Sweepstakes trophy by one-tenth of one point. The band was accepted with great acclaim by the football fans for their brilliant pre-game and half-time shows.

The Concert band of 105 members had one of its greatest years. It gave three home

concerts and prepared for the state band contest. It was represented at the state solo and ensemble contest by 41 members. Two new groups were formed from the Concert band this year—a 17-piece clarinet choir and a 20 piece woodwind choir. Plans call for the forming of a 20-piece brass choir.

These organizations are directed by Robert Sharpe and David Plank.

The concert band also gave an exchange concert with Griffith High School.

Bright Future for Mirer's Squad

Despite a poor 7-17 season record Goshen's baseball Redskins captured their second consecutive sectional championship by defeating county rival Fairfield 6-1 in a thrilling 10-inning finale at Phend Field.

The IHSAA awarded Goshen a sectional and it was played at the new diamond across from GHS, built in honor of the late teacher and coach James E. Phend.

Senior captain Dave Culp led the Redskins with a dandy .377 batting average and he, John Ritter and Bill Gross provided Coach Ken Mirer with a fine pitching staff. The prospects for this season appear bright as only four of the 18 varsity players in '68 were seniors.

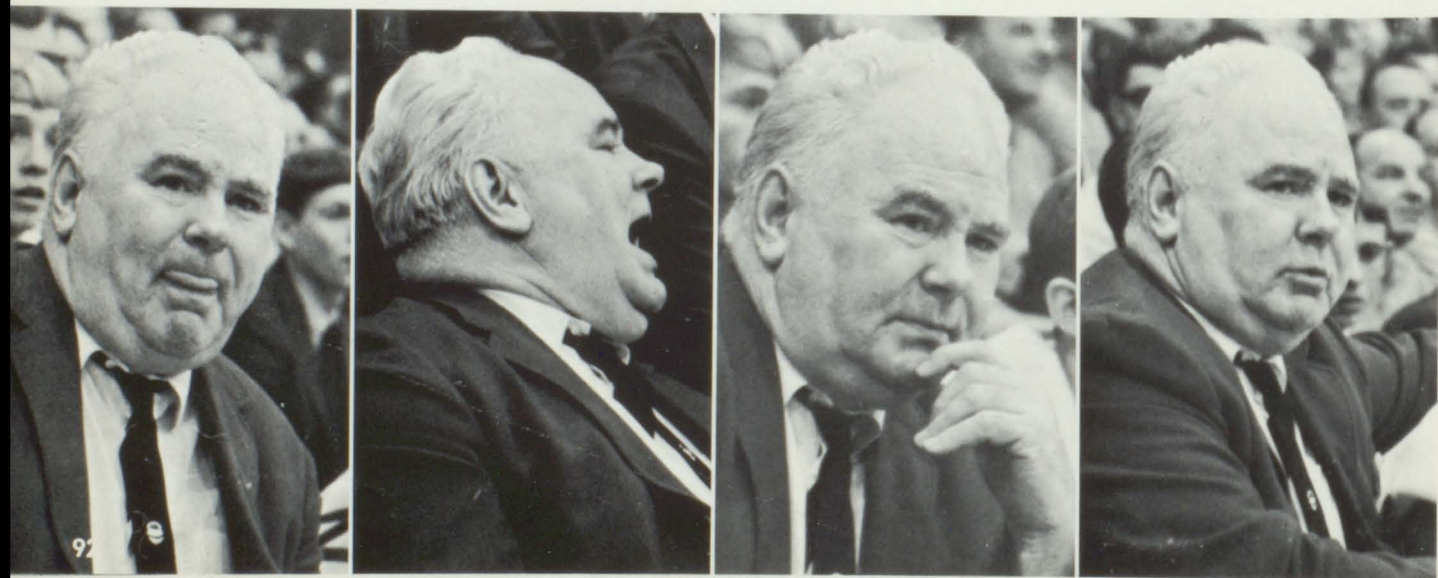

Goshen won its sectional by defeating Wakarusa, 14-2; and Fairfield, 6-1. The team was defeated by Manchester, 4-3 in the regional.

CLASSES OF '71

We gratefully thank our class sponsors who helped make this year a success. They are, *left to right*, Mr. Kastner, Mrs. Burns, Mr. Sizelove, Mr. Peterson, and Miss Kyler.

“True Friends Are Like Diamonds —

Precious and Rare . . .”

President of the Class of 1971

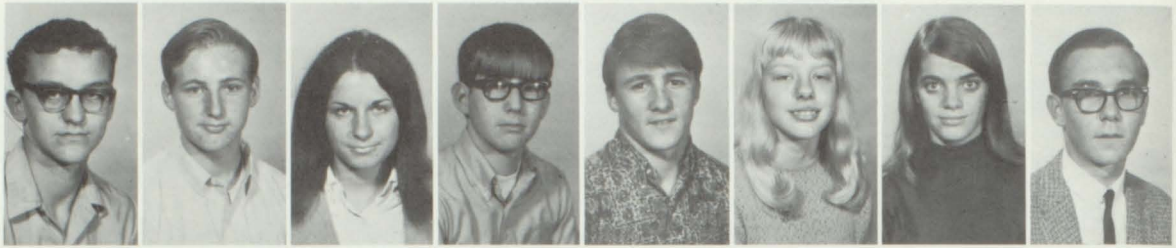

KIM NATHAN HARTZLER

(Sept. 11, 1952—Jan. 25, 1969)

Kim was one who had so much promise—so much to give. His untimely death was difficult for his classmates and teachers to accept. In the few years he was with us, he participated in many activities, stimulating all who worked with him. We were fortunate to have shared some of his energy, some of his enthusiasm, and some of his imagination.

BARBARA ANN LEHMAN

(May 10, 1953—August 21, 1968)

We the class of "71" dedicate this in memory of our fellow classmate, Barbara Ann Lehman. Through the years she became very close to us, and we will always remember her sunny disposition and cheerful smiles.

Even though Barb is with us no longer we will always retain cherished memories of the valuable times we spent with her.

For a challenging career —
Goshen General Hospital

As you consider your career, have you thought of some association with your hospital? There are many challenging positions available to high school graduates.

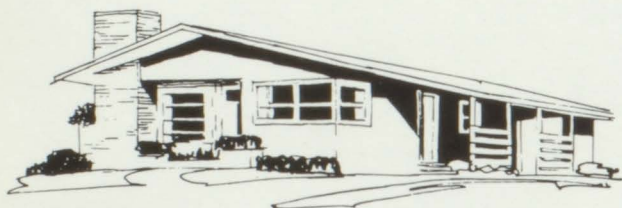

Pat Neff, who works as clerk typist in the Personnel Office under the training program of GHS Office Education Assoc. is pointing out a form used by Nurses Aides to Mrs. Frank (Linda) Stoll.

Linda is a 1967 graduate of GHS, and enjoys her association with the Hospital as she assists the registered nurses in caring for patients. She has a very responsible and challenging function in the total picture of patient care.

Dear Graduate:

Much has been said to you in the final days of your high school career. As graduates you will assume new roles—some as continuing students and some as adults in the business world, military service, and in your own home.

Your future financial planning should include life, hospitalization, and auto insurance. The record you are making today as a youthful driver has a lasting impact. The philosophy of insuring automobile drivers today recognizes and rewards, with reduced premiums, the good driver. Good insurance advice and counsel can be obtained from an independent agent who identifies himself by the "Big I." Don't hesitate to come to see me for help with your insurance problems. Or, call me at 533-1211.

Sincerely,

Ronald W. Workman

All That Touches You . . .

There is a twisting turning road that leads through a forest . . . the black unknown forest of the future. Stop . . . look around you, listen to what Life has to say. Don't fall in the shadows, seek the sunlit paths; those are the ones with happy memories. As you stand bewildered in the perplexing world of the adolescent, you suddenly realize that you are approaching a great turning point of your life. Graduation. You're no longer under the protective shelter of high school. The decisions you make from now on will be the ones that really count. Some say time nourishes individuality . . . but only YOU can prove this to be true. Greet life with a purpose and believe in that purpose. The path of life is never easy, it's hard and difficult . . . if you keep going "forward" you know you're headed in the right direction!

This year, 1969, my SENIOR YEAR, has been a year I'll never forget. There have been so many good, happy times although we cannot overlook the sad, disappointing ones . . . still we must go on . . . My thanks to Mr. Mark Kurtz of the Goshen News for all of the time he spent, and his pictures. I would also like to recognize Moore Studio and Troyers Studio for their help, and Mr. James Bell, the Representative of Taylor Publishing Company. Last, but not least, I wish to thank my staff and sponsors for their patience, and understanding when deadlines had to be met.

Best wishes to all of the students here at GHS. May you all find *your* path and follow it straight and true.

First Golf Team to have winning season here at GHS!

Goshen completed its most successful season with a record of 11 wins and 9 losses.

In the LaPorte Invitational, Goshen ranked 8th out of 21 teams with a score of 329. Our golfers also managed to take 4th place in the Sectional in which 17 teams participated.

A new team record was set at 312 this year. Tom Guipe posted a new individual school record of 72. In one match the first four members of the team finished in the 70's.

The B-team ended their season with a 6-3 record.

Glovemen Capture Regional Crown

The 1969 GHS Baseball team had a poor seasonal record this year, but through hard work, this spirited group of players came through with impressive victories in the sectional and regional. It was Coach Mirer's first regional championship and 3rd straight sectional championship.

In the last year of NIC competition, GHS finished last, but had the distinction of beating the first three teams in the NIC. They whipped 1st place S.B. Central, and also had victories over 2nd place Elkhart, and 3rd place LaPorte. They were also the only NIC school to advance to the semi-state. Most valuable player this year was senior Tom Radkey; John Ritter captained the team; and Denny Martin was voted most improved.

GHS Thinlies Build for the Future

1969 was a building year for GHS trackmen as Coach Andy Mihail looks forward to next season with a fine crop of returning underclassmen.

This year's record of 2 wins and 10 losses was a poor indication of the team's potential. Against stiff opposition, many fine individual performances were shown. The cindermen showed that they could work together in a winning or losing effort, necessary to put together even better teams in the future.

Missed will be the services of the five graduating seniors, including captain Dave Ogle and most valuable cinderman Tim Riley.

Co-captains for the 1970 season are juniors Jim Whitehead and Dave Webster. Hard working sophomores Dave Yoder, chosen most improved; and Mike Miller, high pointman, will be among those counted on to lead Goshen High trackmen in the coming years.

LEFT: Junior Jim Whitehead skips over the "low sticks" for a victory, and Senior Tim Riley quickly catches up for a second placing against Nappanee.

ABOVE: Distance runners work hard as they begin practice with a warmup mile. RIGHT: Junior Scott Welsh breaks the tape after anchoring a victorious mile relay team.

LEFT: Sophomore track whiz Mike Miller displays his form in long jump. Miller also participated in the pole vault and high jump, and was the top point man on the track team this year with 57½ points.

ABOVE: Coach Mihail is tough during practice. BELOW: Shot putter Dave Ogle took a 2nd in Goshen Relays.

ABOVE: Junior Dave Webster took a first in the Sectional, and is shown measuring his winning leap, a new GHS record of 6'1".

Zoe Yoder: Queen of 1969 Goshen Relays

The 27th annual running of the Goshen Relays track and field events were held as usual at Foreman Field but without the usual rainy weather.

William Jessup, the honorary referee, also a former sport star at GHS handled the crowning duties after the escorting ceremony. Miss Yoder was elected queen in a school vote by the entire student body.

The awards ceremony at the conclusion of the Goshen Relays got to be a kiss-swiping affair as the first place winners came forward to receive the trophies from Queen Zoe Yoder and her court.

ABOVE: Members of the 1969 Relays Court shown from left to right are Judy Gardner, sophomore attendant; Randi Yoder, senior queen candidate; Zoe Yoder, queen of the relays; Linda Stose, senior queen candidate; and Tish Bechtel, junior attendant. RIGHT: Not knowing that she would be crowned queen a few moments later, Zoe is escorted from her car by Mr. Jessup.

LEFT: MC's Ken Moreland and Carol Weaver added that extra "touch" needed to make the sophomore variety show what it was. Their humorous comedy skits were sometimes sneaky but they always managed to get a hand.

Steve Jennette displays his talent as a singer.

ABOVE: There is a sparkle in her eyes as Sue receives a beautiful red rose from each of her ladies-in-waiting. ABOVE: In the spotlight, senior Mark Bechtel and junior Maria Mariath, an exchange student from Ipueua, Rio de Janeiro City, look like they're enjoying themselves. Mark "kept company" with his cast for nearly four months, but it doesn't seem to be much of a bother tonight . . . does it??? LEFT: Seniors Steve Myers and Carol Ellinger peep inside a miniature thatched cottage surrounded by gaily decorated trees and flowers.

Junior Prom Calls on "Camelot"

It's been a while since the days of knighthood were in flower, but the shades of merrye olde England and "Camelot" were very much in blossom for the annual junior-senior prom held April 25, 1969 in the high school gymnasium.

The music provided by Ed Smoot's combo from Indiana University made Camelot a rather dreamy affair. As guests crossed a drawbridge into the castle they found soft lights and romantic glances were everywhere—and the atmosphere nearly perfect for a prom!! With a little imagination the junior class, headed by Sue Hepler, chairman, had transformed the gym into a world of the past with its shining knights and "stone" walls bedecked with coats of arms and torches. A fireplace and a chapel also accented the downstairs appointments.

A tunnel to the upstairs garden room, highlighted by colorful trees and flowers, lent an outdoor air to the thatched cottage and cauldron.

Sophomore attendants, appropriately dressed for the gala medieval evening, were on hand to serve refreshments and to assist with the festivities.

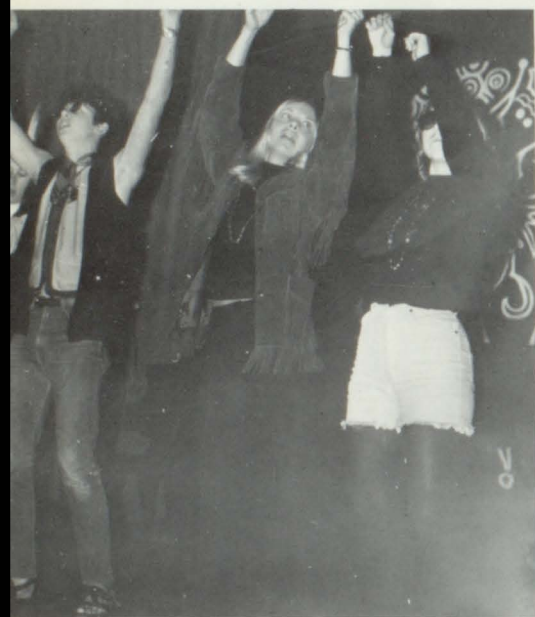

ABOVE: An all time record was set by two GHS graduates. Pictured are Jim Helman, Sherri Williams, Sandy Yoder, and Jim Simpson. This is the fourth consecutive GHS prom to be honored by their presence. Jim and Jim graduated in '67. LEFT: A brunch was served during the latter part of the dance. Looks like seniors Ellen Kinney, Doug Bowman, Sarah Pepple, and Tom Plank are having a hard time making up their minds which sandwich to take.

ABOVE: A magic act by Paul Levans and Steve Tom left the audience "in a trance" wondering how they had managed to change places from inside a locked trunk. LEFT: Kitty Nesius, Carolyn Landis, and Alice Kauffman sing "Dancing In the Street." They called themselves the "Dandelion Wine."

A Funny Thing Happened on the Way to Graduation . . .

ABOVE LEFT: Popular hit, *Aquarius* provides music for the dance routine taken from the Broadway Musical "Hair." ABOVE RIGHT: Gail Wisler, the mother-to-be of the typical 1969 senior, opened the show running down the aisle to the hospital "back stage."

THE SENIOR FOLLIES, a mixture of comedy, magic and a little salt(?) . . . captured the delight of a capacity crowd on the evening of April 11, 1969. Nearly 900 filled the Goshen Auditorium with wide eyes and wild anticipation of the show performed by the class of '69.

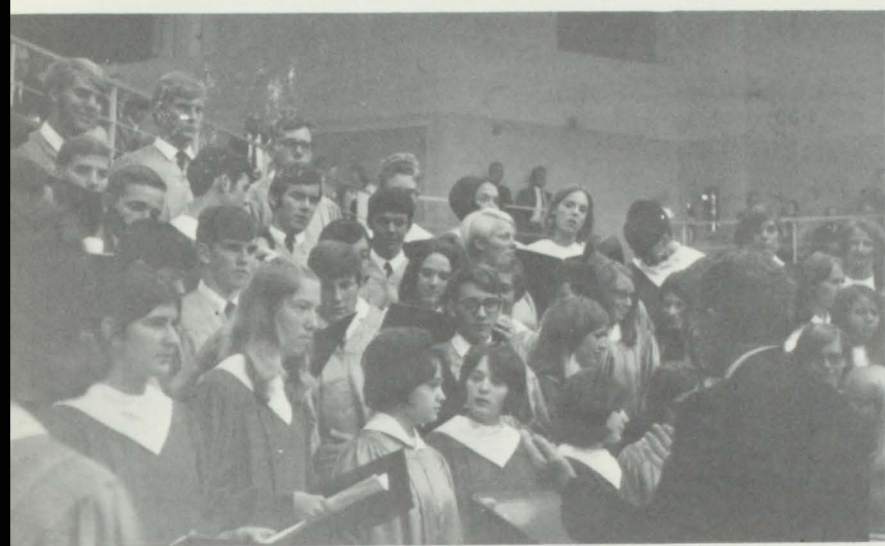

Our three most outspoken seniors Jane Millar, Steve Myers and Bill Binkley were the MC's entertaining the audience with their own "specialties" between acts. Bill, best known for his "Chicken Act" layed them in the aisles.

How can anyone ever forget the glamorous style show emphasizing the highlights of our school days???? And of course, The Senior Follies, the last stage production to be put on by our class . . . a very nice memory that will always be with the 1969 graduates.
